2020"

About SPD

A charity established in 1964, SPD helps people with disabilities of all ages to be as independent and self-reliant as possible.

As a pioneer in serving people with physical disabilities, today we also provide early intervention, therapy, day care, assistive technology, and employment, education and social support, to help people with different disabilities so that they can participate in school, work and daily life within mainstream society.

Token of appreciation presented by GOH	✓	✓	✓	NA
Designate donation to a specific programme/ purpose	NA	✓	✓	NA

Sign Up Today for a Flight to Improve Lives

Empowerment Flight (\$30k)

- Help more persons with disabilities (PwDs) to access the support they need to be independent & self-reliant

More than 10,000 PwDs received support last year.

Enabling Flight (\$10k)

- Provide transport subsidies for door-to-door specialised transport to adults with disabilities attending day care

About 90 PwDs, majority from low-income families and have severe physical and multiple disabilities, attend day care daily to be trained with self-help and community living skills.

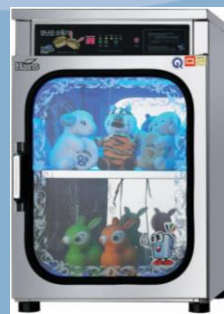

Ability Flight (\$8k)

- Sponsor therapy chairs and toy sterilisers at 4 early intervention centres

Many of the over 650 children with developmental needs enrolled at our Early Intervention Programme for Infants and Children have severe and complex needs and require more intervention sessions.

Therapy chairs enable good seating and positioning, allowing the children to tolerate sitting and perform required tasks.

Toy sterilisers are much-needed to sanitise toys and playing materials to prevent spread of infectious diseases and ensure the safety of the young beneficiaries.

Caring Flight (\$5,500)

- Uplift and develop the potential of PwDs

More than 130 trainees are given work opportunities in supported and sheltered employment
