

Founded in 1964, SPD is a local charity dedicated to serving people with disabilities (PwDs) of all ages so that they can be as independent and self-reliant as possible. Today, we serve 10,000 PwDs annually through over 20 programmes at our headquarters and six satellite centres. These services include early intervention, therapy, assistive technology, vocational training, day care, and educational, employment, and social support.

This year, **SPD turns 60** and we will be celebrating the milestone year with the opening of two additional early intervention centres for pre-schoolers and two new Senior Care Centres. As we charter the next chapter of our journey to serve more, we hope that you will support our cause and join us in unlocking the potential of PwDs.

SPD Ability Walk 2024 – SPD 60th Anniversary Edition

Since 2016, the SPD Ability Walk has been held annually to raise funds for persons with disabilities and increase public awareness of the disability cause. As we celebrate our diamond jubilee this year, we will embark on a nostalgic journey, travelling back in time to play games from earlier days. We hope to make it a memorable experience for all, allowing the younger generation to engage in, and the older generation to fondly reminisce, the past.

After the walk, participants can look forward to a fun-filled carnival with interactive games and disability simulation activities. This year, we are privileged to have the presence of Mr Alvin Tan, Minister of State, Ministry of Culture, Community and Youth and Ministry of Trade and Industry, who will grace the event as our guest-of honour. Join us in making a difference by signing up and spending quality time with your friends and family, even as you give generously in support of PwDs!
