## About SPD

SPD is a charity set up in 1964 with the aim of **helping people with disabilities of all ages integrate into mainstream society.** We remain committed to enabling them to be a part of the community and not apart from it.

## Who We Serve

A pioneer in serving persons with physical disabilities, today our services cater to children and youth with developmental needs requiring early intervention and education support, adults with varying congenital or acquired disabilities seeking employment and self-reliance, and the elderly who aim to be independent through rehabilitation and day care.

## Join Us for a Day of Giving Back and Golfing Fun!

Sign up for the SPD Charity Golf on **25 July at the Orchid Country Club** and experience the joy of giving back while enjoying an invigorating day out on the greens.

This year is special as we celebrate SPD's **60th anniversary.** We invite you to join us in making a positive impact on the lives of individuals with disabilities.

## About SPD Day Activity Centre

The Day Activity Centre (DAC) provides day care for people with physical and multiple disabilities to nurture their self-help skills through a balanced and structured programme that focuses on social and recreational activities of daily living. At the same time, caregivers and family members get the respite they need and some can choose to continue working without having to worry about the care of their loved ones with disabilities.
