ABOUT CHARITY HONGBAO

SPD's Charity Hongbao stands as a powerful annual fundraising initiative meticulously crafted to reinforce the values of compassion and giving in our children complementing the schools' endeavours to shape the character of our children. This initiative serves as a simple platform, allowing students to learn about people with disabilities, fostering empathy and understanding.

Empowering our students, SPD Charity Hongbao encourages them not only to contribute the Hongbao money received and ignite the spirit of generosity among family and friends they meet during the festive season. By doing so, it creates a ripple effect, providing an opportunity for everyone to make a meaningful difference in the lives of those with disabilities.

Together, we can instil empathy, kindness, and a sense of community, sharing a brighter future for all.
