Why Your Support Matters

Your support transforms challenges into possibilities for individuals with disabilities at every stage of life.

Khairurafiqi Syafiullah Bin Khairul, 4

With support made possible by donors, children like Rafiqi — once quiet, withdrawn and struggling to communicate — are now finding their voices, building confidence, and thriving in school and in life. Your contribution makes that transformation possible by giving children the support they need at the right time.

Mdm Chan Wai Yoke, 84

Seniors like Mdm Chan can now receive rehabilitation, care and companionship without financial worry. Your generosity keeps frail seniors connected to the support they need to stay strong, safe and engaged in the community.
