

SparkAbility 2026: A Walk for Change

Brought to you by SPD and Samaritans of Singapore (SOS)

Date: Saturday, 19 September 2026

Time: 8:00am to 12:00pm

Venue: The Meadow, Gardens by the Bay

Guest-of-Honour: Mr Ong Ye Kung,

Minister for Health and Coordinating Minister for Social Policies

About this Charity Walk

SPD and SOS are coming together to launch **SparkAbility 2026: A Walk for Change**. Building on years of nurturing strong and passionate communities through their signature events - *SPD Ability Walk* and *SOS' Spark the Change Fest* - both organisations unite their communities in a collective, unified movement. **SparkAbility 2026** reflects a shared commitment by SPD and SOS to advancing inclusion, mental wellbeing and community health, and driving meaningful change together.

At the heart of **SparkAbility 2026** are these core messages:

Solidarity & Compassion	Inclusion & Empowerment	Mental Health & Resilience
Walking together to show that no one faces challenges alone.	Creating a space where everyone is seen, heard and valued.	Building resilience through connection, compassion and collective support.

SparkAbility 2026 brings these messages to life by uniting diverse communities to walk as one. Persons with disabilities may face isolation, stigma, and mental health challenges, while individuals experiencing emotional distress may struggle silently without timely support. Together, SPD and SOS shine a light on shared need for belonging, connection and compassionate care - strengthening support networks that promote inclusion, mental well-being and hope.

This shared commitment creates meaningful opportunities for organisations and individuals to contribute and be part of a unified movement for community health and care.

By supporting this event, donors will:

- Champion meaningful social impact in disability inclusion, suicide prevention and mental wellbeing
- Amplify brand visibility through the combined reach of SPD and SOS
- Strengthen community connections through employee, customer and partner engagement
- Demonstrate corporate responsibility through supporting holistic and inclusive community care
- Enjoy donor benefits such as logo acknowledgments at the event and complimentary walk passes for employees and families to participate and showcase solidarity
- Receive 250% tax deduction benefits and boost your impact through Tote Board's matching grant with up to 40% of your donation matched

Join Us in Walking for Change

SparkAbility 2026 is more than a fundraising event - it is a shared movement of care, empowerment, and hope. We invite corporates, foundations, community groups, and individuals to walk alongside us in solidarity, advancing inclusion strengthening mental wellbeing and uplifting lives together.

Together, we walk.

Together, we care.

Together, we change lives.

About SPD

Established in 1964, SPD is a Singapore charity dedicated to enabling people with disabilities, as well as those who may develop disabling conditions, to live independently and participate fully in society. Originally founded to serve people with physical disabilities, SPD has since grown to provide a wide range of services, including early intervention, day care, senior care, day rehabilitation, assistive technology, employment and educational support, community activities and lifelong learning, case management and caregiver support. Through these efforts, SPD supports people of all ages with different disabilities to thrive in school, at work and in daily life within mainstream society.

For more information, please visit www.spd.org.sg.

About SOS

Founded in 1969, Samaritans of Singapore (SOS) is dedicated to providing confidential emotional support to individuals facing a crisis, thinking about suicide or affected by suicide. Non-religious and not for profit, its work focuses on crisis intervention and suicide prevention, intervention and postvention. SOS provides confidential 24-hour emotional support to people in crisis, thinking of suicide and affected by suicide. SOS raises awareness of, understanding of and promote evidence-based research relating to suicide, suicide prevention, intervention and postvention.
